Senior Database Administrator Experience

- 10 years of DBA experience supporting SQL Server 2000/2005/2008
- 3 years as Oracle Applications DBA 10c & 11i and Oracle Database 8x, 8i, 9i & 10g

Application Support ▪ Enterprise-wide Database Architecture ▪ Legacy Systems Data Migrations ▪ Infrastructure Improvements ▪ Virtual Machines ▪ Installations, Upgrades and Patches ▪ Performance Tuning ▪ Reporting ▪ Technical Writing ▪ Stored Procedures ▪ Scripts ▪ Data Transformation/Integration

SQL Server ▪ Oracle ▪ CA Erwin ▪ EMC CLARiiON & VMware ▪ DTS ▪ SSIS ▪ SSRS ▪ Crystal Reports

Other Experience

Prior to database administration, I worked as a chemical process engineer outsourced to clients in the petrochemical, energy, hazardous waste, defense, electronics, and beverage industries. I made the transition from using databases and developing software solutions for engineering problems to supporting the corporate-wide databases that businesses depend on.

DBA Work History

Currently Consulting as **DBA** for [Nefesh B'Nefesh](#), Jerusalem, Israel

- Database Administrator support for SQL 2008 on Windows 2008R2

2009-2010 Employed as **DBA** at [Delek](#), The Israel Fuel Company, Netanya, Israel

- Supported ERP development and test environments of Oracle Applications 11i & Oracle Database 10g running on Linux and Windows 2003
- Creation & refresh of production environment clones on both VMware virtual servers and physical servers using EMC CLARiiON
- Resolved SQL 2005 performance and backup issues
- Strived to improve, automate and document processes

2003-2008 Outsourced **DBA** consulting assignments in Ohio, USA primarily for clients of [Robert Half Technologies](#)

- Regularly contracted to correct business-crippling database problems, or for urgent-need interim coverage of abandoned DBA positions where I corrected problems and mentored/trained a junior DBA or new hire.
 - [ASM International](#) SQL 2000 & 2005; Vignette; ERwin Data Modeler; Crystal Reports; SSRS
 - [Beech Brook](#) SQL 2000; MS Great Plains 8.0; SQL Reporting Services 2000; Crystal Reports 8.5
 - [Cleveland Metropolitan School District](#) SQL 2000; Oracle 9; SchoolNet
 - [Medquist](#) SQL 2005
 - [OEConnection](#) SQL 2005
 - [STERIS Corporation](#) SQL 2000
 - [U-Store-It](#) SQL 2000
 - [University Hospitals Health System](#) SQL 2000; ERwin Data Modeler; Crystal Reports XI
 - [Weltman, Weinberg & Reis Co. L.P.A.](#) SQL 2000 & 2005

2000-2002 Employed as **DBA** at [Gibson Guitar USA](#) Nashville, Tennessee, USA

- Application support of Oracle Applications 10c
- Data migrations from various legacy sources
- Implementation of Commerce Server 2000 and Great Plains
- Installations, upgrades and patches for SQL and Oracle
- SQL Server 2000, Oracle 8 and Pervasive Btrieve
- Performance tuning; Crystal Reports; security authentication with Active Directory
- Created step-by-step documentation; stored procedures, scripts and DTS

Education

Bachelor of Science in Chemical Engineering, University of Missouri Columbia
Post-Baccalaureate in Computer Science, University of Missouri Rolla Graduate Engineering Center
AA-Honors, Computer Science, St. Louis Community College, St. Louis, MO
